Introduction

to
The Eighth Edition, July, 2007

I write this for all those who learn initially from books.
This book can be the next best thing to having a real Guru.
It can help prepare you to meet an Enlightening Guru. It will help you integrate your time and experience there.
It is a Gift to find your Guru.
First you find your external Guru, then the Inner Guru expands to become noticeable and noticed.
This Inner Guru is more than an Inner Voice.
It is the SELF.
It is Your SELF.
It will lead you to Realization.
It will make You the Oneness. OM
This book is about both the external Guru and the Internal Guru.
May you Enlighten in this life.
You have the Blessings of the Universe. OM
